

20th Global Women Leaders Conference

المؤتمر الدولي العشرين للقياديات

Global Corporate Women Ambassador Event

ملتقى سفيرات المؤسسات العالمية

(March 7 - 8, 2017 • Burj Al Arab Hotel • Dubai, UAE)

Greetings,

Subject: City Global Women Ambassadors

It is with immense pleasure that I take this opportunity to thank your organization for the tremendous support shown in the activities of Datamatix focused, on the reinforcement of global human capital and knowledge development and the varied initiatives your organization's leaders have come up with in this direction.

On the upcoming occasion of the 109th International Women's Day, Datamatix with great privilege presents the only global corporate women ambassadors event, the '**20th Global Women Leaders Conference**', from **March 7th to 8th, 2017**, at the **Burj Al Arab, Dubai** the world's most luxurious hotel, under the auspices of global governments, official institutions, universities, fortune companies, women leaders and entrepreneurs. The event aims at building strong relationships amongst the global communities, where the west-east and north-south purposively meets and sets the stage for strengthening the future human capital and fortifying the knowledge development strategy.

We formally invite your city to be a part of this highly acclaimed global event, by nominating and sponsoring women leaders as your '**Cities Global Women Ambassadors**', to seamlessly and powerfully endorse the values, and vision of your city, and work towards augmenting the objective of establishing and maintaining positive and fruitful relationships with the intellectually empowered global community of today.

During this event that has played a decisive role in shaping women leaders of the 21st Century, we look forward to meeting and having highly insightful interactions with your '**Cities Global Women Ambassadors**' on the future human capital, global knowledge development strategies, best practices and innovative ideas, which would mold women leaders to take on increasing responsibilities in the manifold developmental activities of governments, corporate, local communities and families across the world.

We are more than delighted to be working steadily towards creating a globally interlinked cities and societies and an integrated economy with women exhibiting leadership competencies par excellence.

We look forward to welcoming your '**Cities Global Women Ambassadors**' at this internationally acclaimed and much awaited women leaders gathering.

Profile

On the upcoming occasion of the International Women's Day, Datamatix presents with great privilege the only global corporate women ambassadors event, Woibex is one of the world's largest women leader's events. Organized annually by Datamatix, from the last 20 years, it focuses very precisely on women empowerment through leadership development, entrepreneurship, knowledge management and capacity building, effectively enabling women to face the emerging challenges in an era of modern management, globally interlinked society, and integrated economy.

The event upholds the mission of creating strong relationships amongst the global communities, where the west-east and north-south purposively meets and sets the stage for strengthening the future human capital, fortifying the knowledge development strategy and sharing global best practices and innovative strategies, which would prompt women leaders to become increasingly engaged in developing the government, corporate, communities and families. The event aims at building strong relationships amongst the global communities, where the west-east and north-south purposively meets and sets the stage for strengthening the future human capital and fortifying the knowledge development strategy. The event has played a decisive role in shaping women leaders of the 21st Century, by having highly insightful interactions on the future human capital, global knowledge development strategies, best practices and innovative ideas, which would mold women leaders to take on increasing responsibilities in the manifold developmental activities of governments, corporate, local communities and families across the world.
