CUXHAVEN, DEN

TO WHOM IT MAY CONCERN

31st Oct. 2023

Dear Ladies and Gentlemen,

since the Year of 1989 – for over 30 Years – it is a good and traditional gesture of the town of Cuxhaven to send for the Christmas-time a nice Christmas tree to the Partnertown Hafnarfjörður.

The tree will be placed in the Hafnarfjörður-center at the X-mas-market and is lightened before the first Advent, that means this Year on the 17th of November, Friday.

The opening is mostly celebrated together with speeches of the Chairmen of both Partnertownclubs, Representatives of the Towncouncil of Hafnarfjörður, and songs presented by small children etc.

I can assure that the tree is free of charge and as present of no commercial value.

The necessary Certificate of the Pflanzenschutzamt Hannover is enclosed.

I herewith kindly ask every concerned organisation to let the tree pass to the destination Hafnarfjörður.

Receiver in all documents: Town of Hafnarfjörður, Hafnarfjörður.

Sender: Town of Cuxhaven, Lord Mayor Uwe Santjer, Cuxhaven.

Many thanks to everybody concerned and have a nice Christmastime.
