Dear all,

At our meeting in Hämeenlinna, we briefly talked about the seminar we are organizing in the fall. Please find attached a letter from our Mayor to your Mayors. This is an invitation to a seminar.

This is the second seminar we have organized, where people from Ukraine share their experiences on how to cope with crisis conditions in local governments. This time, these people are from our twin city of Lviv.

Although the invitation is addressed to the Mayor, feel free to share it with anyone who is interested. We are expecting up to 2 people from each of our Nordic twin cities.

Here is the link to register for the seminar:

Best regards,

Iris
