

Tartu City Government

Dear Colleague,

On behalf of the City of Tartu, I am pleased to invite two representatives of your city to participate in the international Seminar 2: "Urban Resilience in Wartime: Lessons from Lviv for European Municipalities", which will take place in Tartu on 5–6 November 2026.

Seminar 2 will bring together representatives of municipalities, public authorities, and international partner cities to discuss how local governments can strengthen resilience and maintain essential services during crises. Particular attention will be given to the experience of the City of Lviv and the lessons it offers for municipalities across Europe.

An initial version of Seminar 2 programme is enclosed with this invitation. The programme may be subject to minor changes as preparations continue.

The working language of the seminar will be English.

The City of Tartu will cover all costs directly related to participation in the seminar, including the seminar programme, local transportation connected with the programme, and meals provided during the event. Participants are kindly requested to cover their own travel expenses to and from Tartu and accommodation costs.

We would be grateful if you could confirm the participation of your city's representatives by 1 October 2026.

Should you require any additional information, please do not hesitate to contact Ms Iris Allorg, Head of Foreign Relations and Protocol, iris.allorg@tartu.ee.

We sincerely hope that representatives of your city will be able to join us in Tartu. Your participation would further strengthen the close relations between our cities and enrich the seminar through the perspectives and experience of your city.

With warm regards,

Urmas Klaas
Mayor of Tartu
