Subject: Invitation to participate in Crossings 2017

Dear friend from Twin city!

Year 2017 will be the Jubileum year of Finland as an independent country for 100 years. In Hämeenlinna, we celebrate the year with children and young people. As a part of the celebrations, the city of Hämeenlinna is organizing an international art exchange project. Project is aimed for young people and artists from our twin cities and of course other cities as well if there is interest.

Please see the attachment for more information. I hope you will send it forward to the right person in your town. If you have any questions regarding the project, I am more than happy to answer.

I wish you a sunny summer and hope to hear from you soon!
