Sæl öll,

Hér er óskað eftir því að fá Thorsplan undir markað í ágúst. Þau komu að máli við mig í maí og ég bað þau um að senda formlegt erindi. Þau munu fara víða um landið og mér leist mjög vel á þetta. Þau eru með húsin sjálf. Hvaða afgreiðslu þarf þetta að fá.

We would like to visit Hafnarfjörður for one week in August this year, from Tuesday 12th to Sunday 17th inclusive, and we request permission to hold our market in the Thorsplan square.

Með kveðju,
Marín

Good Afternoon Marin,

We had the good opportunity to speak with you when we were visiting Iceland regarding the possibility of bringing our International market to Hafnarfjordur.

We are a company based in Scotland and we organise over 50 markets per year in various cities and towns throughout the country. We pride ourselves on being able to bring together the best traders from around the world selling the highest quality products. We find that both local residents and tourists alike enjoy our markets and they find that there is something to suit people of all tastes. We have traders selling a variety of foods as well as handmade arts and crafts, jewellery, clothes, etc. I have attached some pictures of markets we have held previously to allow you to see what we do.

We would like to bring this extremely popular event to Hafnarfjordur for one week in July or August this year and would appreciate it if you could help us with this. When we spoke you said you thought the local councillors would be glad to hold this event, therefore we would appreciate it if you could advise how we should proceed.

We would really appreciate any help you can provide regarding how we can organise this event. I can be contacted by email, or my direct telephone number is +44 7920 884579.

Thank you for your help.

Best Regards,

Ali
