

PR.0341.1.2020

**Dear Rósa Guðbjartsdóttir
The Mayor of Hafnarfjörður**

I would like to thank you for acceptance of our proposition regarding twin town cooperation between Hafnarfjörður and Namysłów. I am convinced this cooperation will result with many joint initiatives beneficial for inhabitants of both our towns. I would also like to thank you for the publications regarding Hafnarfjörður. It was a pleasure getting familiar with attractions of the town.

During Town Council meeting that took place on October 24th 2019 the councillors enthusiastically accepted the idea of our cooperation. I have been authorised by Town Council members to sign proper agreement and to take further actions to tighten our cooperation.

I would like to clarify the legal aspect of the international cooperation according to the Iceland law. What actions should be taken to finalize official meeting and sign appropriate documents in the future.

As initiators of cooperation, we would like to invite you to visit our town as well as whole region. One of the most important event that takes place on the yearly basis is Days of town of Namysłów. This year the event will take place on 19th-21th of June and all delegations from other twin towns will attend.

It would be our pleasure to host guests from Hafnarfjörður during next Days of town of Namysłów. It will be a great opportunity to get know each other, discuss about our twin towns cooperation in details as well as sign the agreement. It would be also an opportunity to sightsee the Namysłów town and others interesting places in the region with great historical, cultural and tourist aspects.

An official invitation will be provided by post as well as via e-mail.

Thank you again for your acceptance.

**Sincerely,
The Mayor of Namysłów
PhD Bartłomiej Stawiarski**
